BM.I REPUBLIC OF AUSTRIA
FEDERAL MINISTRY OF THE INTERIOR ENLGISCH

Austria

You are now in the Republic of Austria.

This is the heart of Europe. You are safe!

In this folder you will find a number of rules which are very important in Austria.

Please adhere to these rules!

Austria is a medium-sized country. Austria has approximately 8.6 million inhabitants.

Austria consists of nine federal provinces (Burgenland, Carinthia, Lower Austria, Upper Austria, Salzburg, Styria, Tyrol, Vorarlberg and Vienna). Vienna is a federal province as well as the capital of Austria.

The official language of Austria is German.

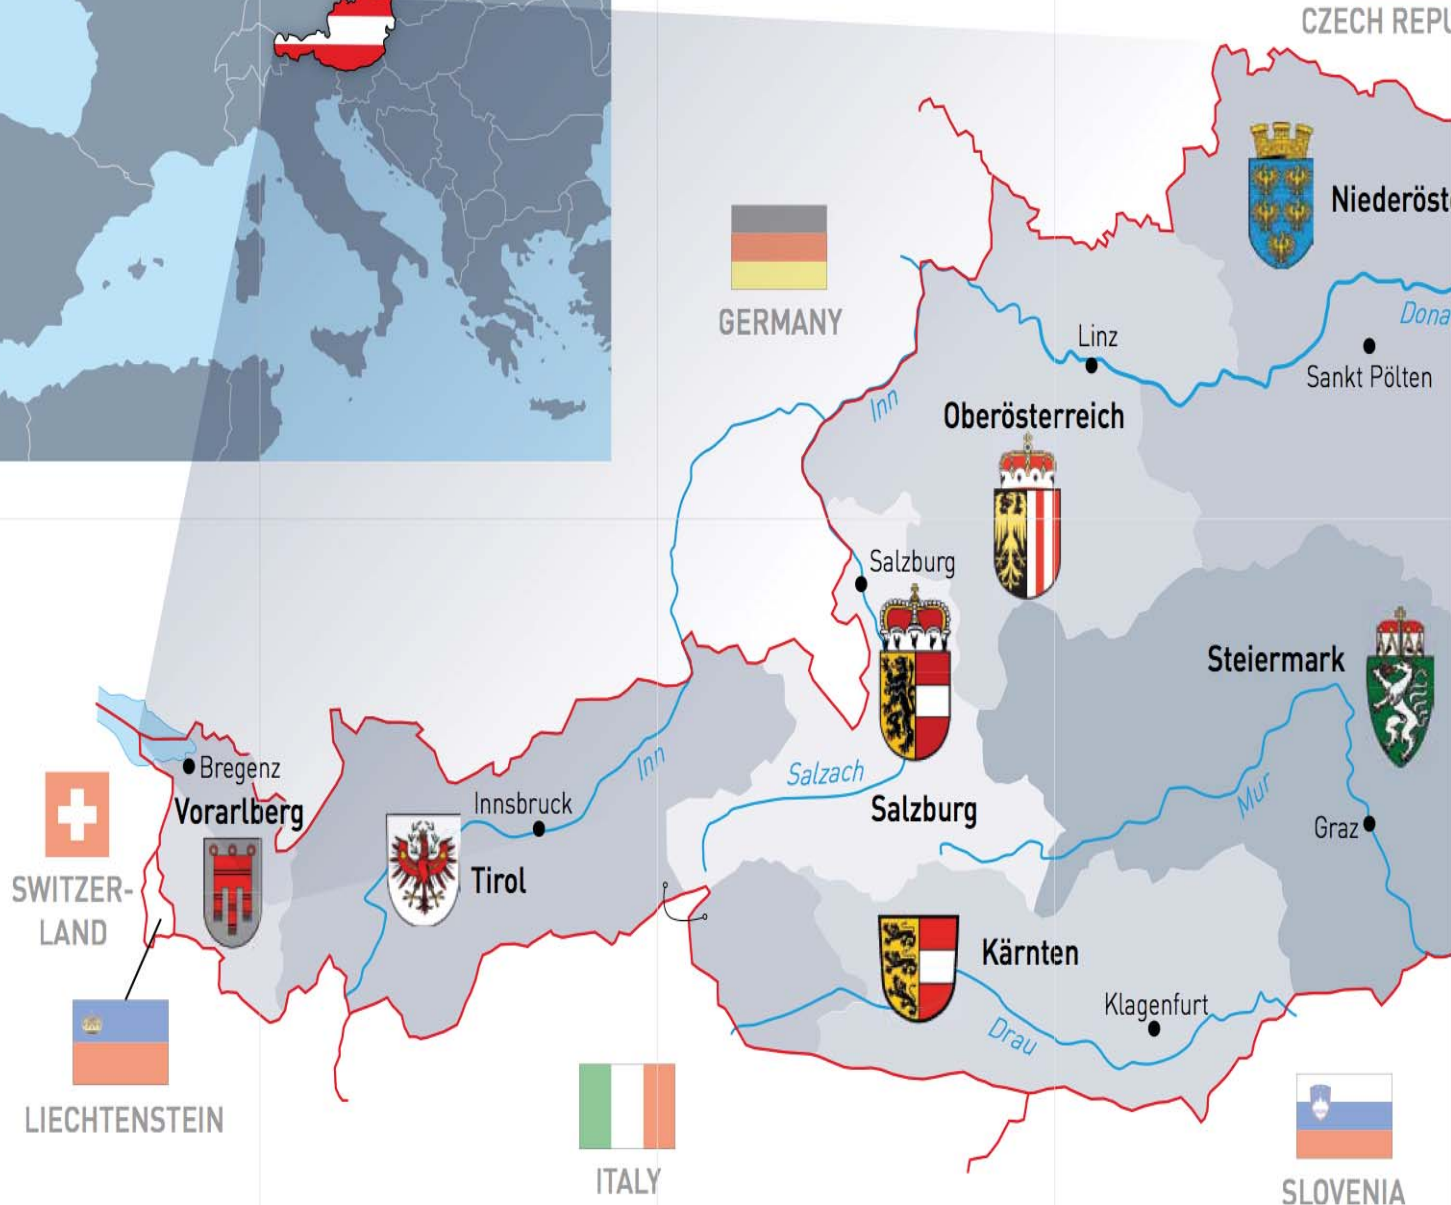

Most people in Austria are Christians.

Austria is a safe and stable country!

Most people in Austria are doing well.

In Austria, people stick together. Solidarity is an important cornerstone of society.

People ensure that Austria remains a stable and safe country. They pay taxes and fees for health, education and social system as well as for public safety.

Right of asylum

The rules on who obtains asylum are contained in the Geneva Convention.

Refugee is a person with a well-founded fear of being persecuted for reasons of race, religion, nationality, membership of a particular social group or political opinion.

Those who do not have such a well-founded fear of being persecuted but whose life or health is threatened in their country of origin will receive subsidiary protection.

Asylum procedure

You have applied for asylum in Austria. Legal advisers and interpreters will help you in the asylum procedure. The authority in charge will process your application for asylum. You have to actively participate in this process.

The process for the asylum procedure

The authority in charge will examine whether Austria or another country is competent for your asylum application.

You will not obtain asylum in Austria, if you have already been in another safe country.

If Austria is the competent country for your asylum procedure, the authority in charge will examine your application for asylum.

If you receive a positive decision in your asylum procedure, then you may remain in Austria.

You must provide all of your information to the authority in charge. For example, your name and date of birth. It is important that you tell the truth! The authority in charge will examine whether Austria or another country is competent for your asylum application. Show the authority in charge all the documents you have.

You will not obtain asylum in Austria, if you have left your country of origin for economic reasons. For example, because you did not have enough money in your country of origin.

If there is a legally binding negative decision in your asylum procedure, then you must leave Austria.

The authority in charge must be able to reach you in the course of the asylum procedure. You must come to the appointments on time.

You must remain in Austria during your asylum procedure.

Currently, there are a lot of asylum procedures to be processed. Therefore, the process may take longer.

Dear Friends Refugees,

Based on the last agreement between European Union and Turkey, the borders of the countries in the western balkan route have closed for refugees and migrants and are guarded by the army and police. From the 20th March onwards, the newcomer refugees and immigrants will be returned back to Turkey.

On the basis of this agreement and the lastly voted law by the greek government of SYRIZA-ANEL, the refugees that are already in Greece, will be separated by fast track procedures in asylum beneficiaries and not. For those seeking relocation to other EU countries, it could last months or years. The relocation request is valid only for those who apply for asylum in Greece. Finally, for those who **do not want** to apply for asylum, it is highly possible that they will be faced with capture, detention and deportation.

The coordination for solidarity to refugees and immigrants urges refugees to organize and coordinate their fight to open the borders, to have access and right to a normal asylum procedure, equal political and social rights and decent living standards of refugees and immigrants together with local workers, unemployed and youths. We are the people that stood in solidarity with you from the very beginning and will remain on the same path with you until you win.

We want to fight with you as long as you stay in Greece:

- no violent transfer of any of you to a camp against your own will
- legal stay in the country for all, without any discriminations based on country of origin
- prevent massive deportations
- refugee accommodation facilities should be open and not closed-type prisons.
- access and right to asylum; No arrests and detentions of refugees
- suitable spaces with human housing, feeding and healthcare should be allocated

It is your right to refuse violent transfer to a camp.

But above all we will fight with you:

- to open the borders,
 - to demand to take back the racist agreement EU-Turkey and the greek law,
 - to stop wars and imperialist interventions,
 - to put an end to the returns from NATO and Frontex,
 - to overturn anti-migrant policies of European Union, Greece and Turkey.
- Your own voice, your own stories and your own needs should be heard.**

The Coordination for solidarity to refugees and immigrants invites all refugees and immigrants regardless of country of origin, religion, sex, to continue united their fair struggle for life, freedom and human rights. This struggle unites us.

Everyone has the right to be treated with respect. No one may violate the dignity and rights of others! Treat all people with respect! There should not be any differences due to gender, age, education, religion, origin or appearance.

Freedom

Freedom is important in Austria!

Everyone in Austria is free to express his opinion. But freedom also has its limits. One must not violate the dignity of others.

Violence is prohibited in Austria.

Even in the family there must not be any violence!

Help, when you see people in need.

For example, help the elderly cross the street.

Religion is a private matter. That is, each person is allowed to choose his religion. Everyone is free to live according to his religion.

Help when you see injustice!

Civil courage is very important in Austria.

Courtesy is important in Austria – also between men and women. For example, extend your hand when greeting others.

Treat others with **respect**. For example, by being quiet at night.

But the laws of the state take precedence over religious rules. That is, the authorities in Austria always decide according to the law. They never decide based on religious rules.

Democracy and Rule of Law

Austria is a **democratic republic**. That is, the Austrians may choose who governs their country.

Equality between women and men

Women and men enjoy the same rights in Austria. In Austria, women determine their own lives just like men.

Rights of Children

Öffentliche Stellungnahme

Wir, Männer aus Syrien, verurteilen die Übergriffe gegenüber Frauen und die Angriffe auf Menschen wie auch die Raubdelikte in der Silvesternacht auf das Schärfste.

Wir bedauern, dass Frauen in ihrer Ehre und körperlich verletzt wurden.

Wir hoffen, dass sie sich von diesen Attacken bald und gut erholen werden.

Wir hoffen, dass die Verursacher dieser kriminellen Aktionen gefunden und bestraft werden.

Unsere kulturellen Werte wurden durch diese kriminellen Aktionen mit Füßen getreten.

Zu unseren Werten gehört selbstverständlich der Respekt vor Frauen und Männern, der Respekt vor der körperlichen Unversehrtheit, und der Respekt vor dem persönlichen Eigentum.

Wir Syrer sind als Flüchtlinge nach Deutschland gekommen, weil wir hier in einer demokratischen Gesellschaft in Frieden leben wollen. Wir wollen Demokratie leben, gestalten, umsetzen.

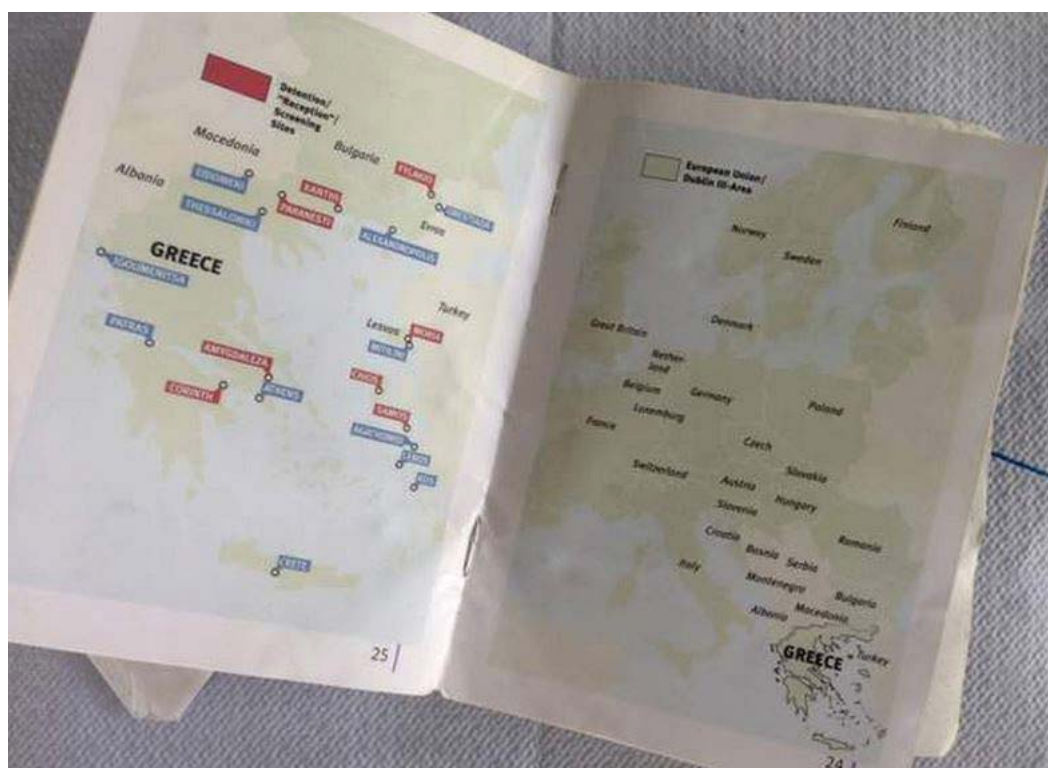

Wir bedauern, dass die Aktionen der Silvesternacht unsere Gruppe, die Gruppe der Syrer, die Gruppe der Flüchtlinge, wie auch viele andere arabische und nordafrikanische Menschen und Kulturen in Verruf gebracht haben.

Wir sind vor einem unmenschlichen Krieg geflohen, um unser Leben zu erhalten und menschlich bleiben zu können.
Frieden, Sicherheit für uns und unsere Familien, die Möglichkeit, durch Arbeit unseren Lebensunterhalt zu verdienen, sind unsere Ziele.

Wir bedanken uns bei allen Menschen in Deutschland, bei Frauen und Männern für all die Hilfe, die sie uns bislang erwiesen haben!

Wir werden uns ihres Engagements und Ihrer Hilfe würdig erweisen.
Sie und wir werden feststellen, dass Ihre Werte auch unsere sind.

Deutschland hat für uns mehr getan als irgendein anderes europäisches oder arabisches Land!

(the facts)

- 1- the Greece border in Idomeni is closed and will stay closed
- 2- there will be no buses or trains to take you to Germany
- 3- perhaps people who stay in Greece will be sent to Turkey
- 4- **If you make your way illegally via eastern Europe you will have a chance to stay.**

Germany still takes refugees.

- 5- the border camp will be evacuated soon in Idomeni and for sure people will be forced to go to the governmental Greece camp and from there they will be sent to Turkey

(the solution)

- 1- the border fence is there only for you to think that the border is closed. but the border ends about 5km from here, you can enter Macedonia there. you can pass from there (look to the map)
- 2- if you will go alone or in a small group the police or the army will stop you and return you back to Greece .
- 3- if you come in thousands the police can't do anything with such numbers and they won't send you back .

Let's meet in Monday at 12pm front of the camp exit then we will go to cut the border together
Please look good to the map carefully

Please inform our people and our friends and take care for this flyer to be found .
Hide it or cut it after .. the police and the journalists shouldn't know anything about it .. and good luck

The translation of the map from right to left according to the direction

- 1- here the meeting point at 12pm
- 2- here we will circumvent the wall (the pass)
- 3- here there is no wall
- 4- **the dry river (there is no water)**

A black and white photograph of a woman wearing a dark headscarf and a long, light-colored dress. She is standing next to a small child who is wearing a patterned shirt. They are both looking towards the camera. The background is slightly blurred, showing what appears to be an outdoor setting with some structures.

Why are you running?

You are running from your own country, from your own people, from an uncertain existence. Or maybe you are running from your faith which didn't give you a real solution for your life (that's why you're on the run), neither did it give anything for your wife, nor for your children. You might be heading for another uncertain ground, as the EU may not give you any good. Only God can give you real good things! Without God you are building your house on the sand which can collapse anytime. However, we have good news for you: you have now landed on the right place to receive the good news. Hungary is a country, where (beside many unbelievers) real Christians live too with changed hearts and life. For we have accepted a gift from God, which is given through Jesus and that is eternal life! You can only get that through Him, as...

Salvation is to be found through Jesus alone, for there is no other name under Heaven given among men by which we must be saved. Acts 4:12

God raised Christ from death and seated him at his right side in the Heavens.

Christ rules there above all heavenly rulers, authorities, powers, and lords;

he has a title superior to all titles of authority in this world and in the next

God put all things under Christ's feet and gave him to the church

as supreme Lord over all things. The church is Christ's body, the completion of him who himself completes all things everywhere. Eph. 1:20-23

How to repent to the living God:

Just give your life, your heart to Jesus. Call upon Him and ask Him to enter into your life.

I am (Jesus) the way, the truth, and the life;

no one goes to the Father (God) except by me. John 14:6

No Muslim, no Hindu, no Buddhist, no unbeliever, not even a Christian

(many call themselves Christians but they are not) can go to Heaven but through Christ alone.

Once you are cleansed by the Blood of the Lamb

(after, you have given your life to Jesus), you can enter into the presence of God.

You'll be able to communicate with Him, have a relationship with Him,

feel His loving mercy and power which is the best and greatest experience for a human being.

God has created us with a free will, He doesn't want to force anything on anyone.

He wants you to choose Him freely! Be blessed, in the name of Jesus.

The Changing Face of BRAMPTON

From this...

Consider this: According to 2001 Census City of Brampton, Mainstream Canadians made up 59.6% of Brampton's social fabric. In 2011, it dropped to 32.9%. What will the Census findings be in 5, 10 or even 15 years from now?
