

CHARLIE LE MINDU, HAUTE COIFFURE SS11 DETOX - RETOX - BOTOX

Starting out as a hairdresser at the age of 13, Charlie is now also known for his sculptural wigs, couture clothing and accessories. Reflecting his French roots, his recognisable style is innovative, sexy and often daring, using only the highest quality natural human hair [supplied by Hair Dreams].

On his fourth season showing at LFW, Charlie transports us to LA and the glamorous, fun and eccentric lifestyle of the rich and famous. Expect a runway converted into Sunset Boulevard: open-top Cadillacs, pink champagne, groomed poodles, the sparkling jewellery of The Oscar's red-carpet and the cheeky swish of gala ball dresses. The colour theme for his SS11 Collection is the combination of flamingo pink and black. The style of the pieces will be simple, with solid blocks of colour and leopard patterns, combining soft fabrics, hair, and mirrored plastics to add finishing touches.

The Master of Haute-Couiffure has been featured in publications such as Vogue Italy, Vogue Hommes Japan, i-D and The Guardian. His repertoire of clients reads Kap Bambino, Peaches, Lady Gaga and Ayumi Hamasaki to name a few and his work transcends the lines of fashion, having been exhibited at the V&A in London and collaborated with Atopos during the Art Athina fair in Greece.

Charlie also currently hosts the hit TV Show Charlie's Treatment on Konbini, receiving 2 million views in the first two weeks and if that wasn't enough, his up-coming collaborations include projects with Machine-A, Disney and Atopos.

Get your passports ready as Charlie jets you off in style with a perfect combination of sexy wigs and super hot, super wearable clothes and accessories.
