WORKSHOP

## **The Callas** **The Callasette Monster**

**Sunday 26th June 2011, 12:30-17:00**

**Benaki Museum | 138 Pireos str., Athens**

**ATOPOS Contemporary Visual Culture (ATOPOS cvc)** in relation to the exhibition **ARRRGH! Monsters in Fashion**, invites you to ATOPOS' Lab in the **Benaki Museum**, Athens, to take part in the 'The Callasette Monster' workshop, realised by **The Callas**.

**The Callasettes**, four female dancers, have been working with The Callas band the last few years creating performances during the concerts. At the same time, the Callasettes are the band's live sculptures, on which The Callas present their latest fashion creations such as hats, dresses and accessories. Through a D.I.Y. aesthetic with simple and casual objects and items, they dress and undress the Callasette character depending on the performance.

On Sunday the 26th, the workshop's visitors will learn everything about the Callasette Monster and will be encouraged to create their own.

The aim? For the visitor who creates the perfect Callasette, The Callas will invite her to partake in the largest concert they have ever given, on 6th July at Terravibe, Malakasa Athens, with Nick Cave and Grinderman!

**The Callas** are formed by the artists Lakis and Aris Ionas. Through the past years they have playfully mixed different disciplines including music, fashion and performance.

**ATOPOS cvc**, is a non-profit Cultural Organisation founded in 2003 and based in Athens, Greece. Its aim is to implement innovative projects of contemporary visual culture, with particular emphasis on the human body and costume.
