Dear friends,

ATOPOS Contemporary Visual Culture (ATOPOS CVC) continues to support British designer Craig Green in his new collection, AW | 13. After the success of his first catwalk show presentation with TOPMAN and Fashion East's MAN initiative, Craig Green's new collection will be shown in Paris at the London Show Rooms Men (18-22 January, 2013). Craig is a recent Central Saint Martins graduate. His MA collection presented during London Fashion Week 2012 won him the L'Oréal Professionnel Creative Award.

The collaboration between ATOPOS CVC and Craig Green started in 2011 with the performance 'Atopic Bodies [FOUR]: The Wicker Cult' and continued with 'ARRRRGH! Monsters in Fashion' exhibition, Benaki Museum and the publication 'NOT A TOY. Fashioning Radical Characters'.

ATOPOS recently commissioned Craig to develop the visual identity for upcoming exhibition 'ARRRRGH! Monstres de Mode' at La Gaîté Lyrique, Paris between February 13th and April 7th, 2013.

With best wishes,  
ATOPOS CVC
