Dear friends,

The atopos cvc collective has been invited to speak at one of the highlight events of Mode Biennale Arnhem, curated by Lidewij Edelkoort. Vassilis Zidianakis and Angelos Tsourapas will be interviewed by José Theunissen from the ArteEZ Academy on atopos' ongoing exhibition ARRRGH!: Monsters in Fashion as part of the Fetishism In Fashion International Seminar on June 25th.

At the same time, atopos cvc takes part in the Mode Biennale Arnhem exhibition HURRAY!, with a Craig Green costume from its collection, curated by prof. Louise Wilson (representing Saint Martins).

Following ARRRGH!'s great success at La Gaîté Lyrique in Paris, the exhibition is travelling to the Centraal Museum in Utrecht between October 19th and January 19th 2014.

Best regards,
Stamos Fafalios, Vassilis Zidianakis and Angelos Tsourapas
