Dear Friends,

Bringing together obsession and romance for his third catwalk show, Craig Green presented his AW 14 collection at the TOPMAN and Fashion East MAN initiative at the **London Collections: Men**. The collection can now be seen in Paris at **London Show Rooms Men** from 17<sup>th</sup> to 21<sup>st</sup> January 2014.

Craig's latest collection is loyal to his personal love of complex colours and pattern combinations. His hand-painted fabrics are an ode to simplicity and opulence and are used to create masculine clothes that are practical and ceremonial at the same time.

Atopos cvc has supported Craig Green from the very first step he took as a fashion designer. It was plain to see that the story Craig was about to tell would be a great one; his work is fresh, original and exciting.

The Centre for Fashion Enterprise's designer recruitment for its 2013 Fashion Venture Programme and his nomination for the British Fashion Awards - Emerging Menswear Designer 2013 are just the beginning..

With our best wishes,

Stamos Fafalios, Vassilis Zidianakis, Angelos Tsourapas
